- 1.3 The Tenderer is advised to read the Tender Documents carefully prior to preparing its Tender. The Tender Documents are the conditions of tendering and any Tender which does not comply with them will be considered incomplete and may be disqualified.
- 1.4 The Tenderer shall complete the Tender Documents in blue or black ink or typescript. Any Tender Documents not completed in this way will not be considered.
- 1.5 Any alteration, erasure (including the use of correction fluid) or obliteration to the printed quantities or text of the Tender Documents may cause the Tender to be disqualified.
- 1.6 Any alteration of a price, rate or amount or information provided by the Tenderer must be accompanied with the company chop of the Tenderer and initialed by an authorized person of the Tenderer.
- 1.7 Any queries relating to the terms and conditions of the Tender Document shall be in writing and addressed to the person named in the letter of invitation to Tender before the date of lodging the Tender.
- 1.8 The personal data of the Tenderer provided in the Tender will be used for the Tender evaluation and contract award process (if applicable) only.
- 1.9 The Employer reserves its absolute right to withhold awarding the Tender to any party or to cancel the Tender should it consider appropriate to do so.
- 1.10 The Employer is not bound to accept the lowest or any Tender it may receive and reserve the right to accept the Tender in part.
- 1.11 The Tenderer shall submit its Tender at its own cost. The Employer shall not be liable for any costs whatsoever incurred by any Tenderer in connection with the preparation or submission of its Tender or in any related communications with the Employer, whether before or after the Tender closing date.
- 1.12 The Tenderer may only visit the service location for the purpose of preparing its Tender with the prior written consent of the Employer. Such consent will be in the absolute discretion of the Employer.
- 1.13 The Tenderer shall quote all prices and rates in its Tender in Hong Kong Dollars.
- 1.14 The Tenderer shall ensure all prices and rates quoted in its Tender are accurate before submitting its Tender. Under no circumstances will the Employer accept any request for price adjustment on the ground that a mistake has been made in the Tender.
- 1.15 The Employer reserves the right to negotiate with a Tenderer on any of the terms or counter-proposals contained in its Tender.
- 1.16 Acceptance of the Tenderer's offer by the Employer, in whole or in part, constitutes a binding contract between the Tenderer and the Employer with respect to the parts accepted.

Should the Tenderer fail to provide the Services listed in the Scope of Service without sensible reason acceptable to the Employer, the Employer has the absolute right to employ any contractor/workman to carry out the same Services and the Employer has its own discretion to deduct the payment from the Contract Sum to cover the cost incurred.

18. Prohibited Materials

The Tenderer shall not use any material that may be illegal, potentially hazardous and deleterious for the performance of the Services.

19. Damage to or Loss of Property

- a) The Tenderer shall be liable for and shall indemnify the Employer against any liability, loss, claim or proceedings in respect of any damage whatsoever to any property, real or personal in so far as such injury or damage arising out of or in the course of or by reason of the execution of the Contract.
- b) If the Tenderer shall by any act, omission or negligence of himself or his operatives, employees cause or suffer any loss of or damage to any property under this Contract, such loss or damage may be made good at the cost of the Tenderer by the Employer and the Tenderer shall on demand pay to the Employer such sums as the Employer may certify to be the cost of such making good.
- c) If the Tenderer shall make default in the payment of any sum so demanded as aforesaid it shall be lawful for the Employer to deduct the amount thereof from any other monies payable to the Tenderer under the Contract.

20. Damage to Loss of Article or Materials

When the Employer's article or materials are delivered to the Tenderer under the Contract, the Tenderer will be responsible for the due return of such articles. Should any such articles or materials be lost or damaged due to any cause whatsoever, with the exception of natural wear and tear, while in the possession of control of the Tenderer or his operatives or employees, the Tenderer shall pay for the same at its own cost.

21. Injury to person

The Tenderer shall be solely liable for and shall indemnify the Employer and keep the Employer indemnified in respect of any liability, loss, claim or proceedings whatsoever arising under any statute or at common law in respect of personal injury to or the death of any person arising out of or in the course of or by reason of the execution of the Contract.

22. Storage of Objects Collected

No objects collected in the course of cleaning such as empty wooden or cardboard boxes or containers or other items of discarded apparatus shall be stored for a period exceeding two working days, unless in designated space(s) approved by the Employer.

23. Chinese Translation

Chinese translation of the Schedule of Services shall be prepared by the Tenderer and prominently displayed in the place where his operatives can read them easily.

24. Arbitration

Any dispute or difference arising out of or in connection with this Agreement shall be returned to and determined by arbitration at the Hong Kong International Arbitration Centre and in accordance with its Domestic Arbitration Rules.

25. Law and Jurisdiction

This agreement is governed by and shall be construed in accordance with Hong Kong Law.

26. Press / Media Enquiry

The Tenderer or its employees or agents shall NOT answer / respond to any press media enquiry and should immediately inform the Employer about such enquiry.

27. Background Check

To comply with customers' requirement, the background check for individual cleaners should be arranged for the application of access permission / card who will be assigned to perform routine cleaning work inside customers' premises. The related cost of background check will be paid by the Employer.

V. SCOPE OF SERVICES

1. Cleaning Service Area

Cleaning Service area covers all indoor and outdoor areas within the site boundary of MEGA-i, MEGA Two, Goldfield, MEGA Plus, JUMBO, ONE, HKIS-1, MEGA Gateway, MEGA Fanling & MEGA IDC.

2. Scope and Schedule of Services

The frequencies specified in the below are the minimum requirements and the Tenderer is required to upkeep the cleaning standard in addition to performing the following schedule(s) to the satisfaction of the Employer. Furthermore, the Scope and Schedule of Services is understood not to be exhaustive and shall be at the absolute discretion of the Employer to amend, alter, delete or add from time to time so as to ensure the efficient performance of the cleaning service. The Tenderer shall carry out all verbal and/or written instructions given by the Employer or his Representative.

In the event that the minimum service levels detailed below are not achieved, the Tenderer shall carry out additional services, at the Tenderer's cost, so that the required service levels are delivered at all times.
